County ratepayers are reminded that the annual meeting of the County of Vulcan No. 2 will be held in the high school auditorium at Vulcan on Saturday, Feb. 20, commencing at 1:00 p.m.

At the meeting, nominations will be received between 3 and 4 p.m., for the offices of councillor in Divisions 3, 5, 6 and 8.

In a four team round robin playoff with the foursomes of Kennedy of Fort Macleod, Cooke of Lethbridge and Kirkhoff of Taber, the Matlock rink won three straight to advance to the Alberta finals at Vegreville on Saturday and Sunday, Feb. 20-21.

The six Alberta District finalists will play a round robin series to declare a provincial champion to advance to the Dominion playoffs at Summerside, P.E.I., on March 14.

Roy W. Witting Dies At Brooks

Roy William Witting passed away in the Brooks Hospital Wednesday, Feb. 10, at the age of 68 years. Mr. Witting was born in Wisconsin, U.S.A., coming from North Dakota to Travers, the Lomond district, where he homesteaded, living there until 1954 when he retired to Brooks. Mr. and Mrs. Witting have made their home there since.

Mr. Witting led a very interesting life in the early part of the settlement of the country. He played baseball all over Alberta as a young man. He also played in the Lethbridge band when there was only one tree in Lethbridge and the CPR station the only building there, possibly around 1908.

He is survived by his wife, Martha, of Brooks; one daughter, Mrs. Ethel Cochrane of Bow Island; four sons, Milo of Brooks, Lloyd of Ponoka, Harold of New Westminster, B.C., and Russell of Calgary; seventeen grandchildren; two brothers, Harry of Vulcan and Elmer of Lethbridge; one sister, Mrs. Esther Ulrich of Calgary.

Funeral services were held Saturday, Feb. 13, at 2:00 p.m. in the Brooks United Church with Rev. L. Ling officiating. Interment was in the Brooks Cemetery under the direction of Smith Funeral Home.

Pallbearers were: Ross McKay, Alec Duncanson, Henry Huff, Floyd Stannard, Edwin Severson and Earl Williamson.

Reid Hill W.I. Names Delegates

The home of Mrs. J. C. MacMillan was tastefully decorated in the Valentine theme, when she entertained members of Reid Hill W.I. at the regular meeting, held Thursday, Feb. 11. Mrs. Earl Deal, the president was in the chair and conducted the meeting, assisted by secretary, Mrs. J. French and treasurer, Mrs. C. L. Kuykendall.

Correspondence was light and dealt largely with routine business matters.

Delegates to the District Conference, to be held in Calgary, March 27-29, were named, with the president and secretary being chosen. In the event they are unable to attend alternate delegates were named.

Roll call was answered with "A Penny a Pound," which required each member to contribute one cent for each pound she weighed. The tidy sum realized from this roll call would seem to indicate that the members of Reid Hill W.I. are certainly not underfed. Mrs. MacMillan was in charge of "the

HON. REV. PETER DAWSON

New Record For Speaker Peter Dawson

(Edmonton Journal)

When Hon. Peter Dawson was dragged, laughing and protesting, to be robed as the Speaker of the 14th Alberta Legislature Thursday afternoon, he became the senior active Speaker in the British Commonwealth. The record for the position was set by Mr. Speaker Onslow of the British House of Commons who held the position for 34 years from 1737-61.

The ceremony of selecting a Speaker for the Legislature is itself one of the quaint customs which has survived in Canada from the British parliamentary system. There was a time when the Speaker actually was the guardian of Parliament's privileges, the position was a dangerous one and when he refused the appointment he did not do so jokingly.

Mr. Speaker Dawson said he felt greatly honored in being elected Speaker of the Assembly. Up to weighing in" and much fun was derived from this rather different contest.

The new programs for the year were distributed and many favorable comments on them were made.

At the conclusion of the business session the meeting was turned over to Miss Irene Reid, District Home Economist, from Claresholm showed a film and gave a fine and most interesting demonstration on gift wrapping, which was enjoyed by all.

An exchange of small Valentine gifts was made, after which the tea draw was won by Mrs. Kuykendall. A hot lunch was served by the assisting hostesses, Mr. A. J. Smith and Mrs. A. Sales.

In Lomond-Travers District

County Enlarged By 44 Sections

Residents of a 44-section area of land between Lomond and Travers have petitioned to have their lands withdrawn from the Municipal District of Taber No. 14 and added to the County of Vulcan No. 2. Residents of the area concerned are closer to Lomond than to Enchant and would prefer their children to attend school at Lomond if the two-room school at Travers is closed, as has been proposed.

Action to take these lands into the County of Vulcan was approved by the Department of Education and the Department of Municipal Affairs and a ministerial order issued by Hon. A. J. Hooke, Minister of Municipal Affairs, withdraws the following lands from the M.D. of Taber and adds them to the County of Vulcan, effective Jan. 1, 1960:

Sections 29 to 33 inclusive in township 14, range 19; sections 25, 26, 35 and 36 in township 14, range 20; sections 19, 20 and 29 to 32 inclusive in township 15, range 18; sections 3 to 10 inclusive and 15 to 36 inclusive in township 15, range 19, all west of the fourth meridian.

For electoral purposes, the new area will be included in Division 6 of the County of Vulcan.

F.W.U.A. Meets

The Berrywater FWUA met at the home of Mrs. Bob Gerding on Feb. 3, with nine members present.

Literature was read from head office and the usual business dealt with. A committee was appointed to find a delegate to represent the local in the yearly Jr. FUA Queen contest.

With the finish of business the meeting was adjourned. Lunch was served by the hostess and committee, with Mrs. Frank Love being the winner of the draw.

This year his record equaled that set by Sir Robert Nicholls who served in the Australian House of Assembly from 1933 to 1955.

Mr. Speaker Dawson looks back on "many ups and downs, depending on the temperament of the boys" during his many years in the chair. He was first elected to the Legislature in 1935 and became Speaker in 1937.

It has sometimes been suggested that in Canada the British tradition of not opposing a Speaker for re-election as a representative should be followed. However, Mr. Speaker Dawson thinks that having to contest his seat at every election "keeps me alive and aware of what is going on."

A resident of Carmangay, where he is minister of the Carmangay United Church, Mr. Dawson represents Little Bow constituency in the provincial legislature.

A service such as this and the invaluable blood transfusion service that bring the Red Cross Society close to the public, but equally valuable and worthy of support are other Red Cross activities such as disaster services, international relief, sick room loan service, inquiry bureau, veterans' services, women's work and the Junior Red Cross.

You are asked to help support the Red Cross in its wide field of activities by giving generously when the canvasser calls.

At Executive Meeting

Fish and Game To Sponsor Boys' and Girls' Fish Derby

A review of the recently held Fish & Game banquet, plans for summer works campaign and a quick run-down of the Provincial Fish & Game Convention were all dealt with at a recent meeting of the local branch executive.

With reference to the Vulcan banquet it was felt that accent be placed in future on interesting more young people in the event and the year-round work of the branch. If this could be accomplished though, hall space could not be found so the idea developed that a fish derby set up by the association and open to boys and girls in company with parents might be held this summer at one of the lakes.

Guy Volsey, who heads the Fish Branch, volunteered to donate trophies for winners at this day and more will be provided by the association or through private donors.

President Bill Holton attended the provincial convention Feb. 5 and 6, and gave a brief report on his attendance. Representatives from 82 locals of the 14,528 member organization were present and went into committees of various branches it encompasses to come up with resolutions which were dealt with at a full meeting.

One big change which will eventually be felt in this area is the proposed setting up of zones for the upland game areas. This is already being done in relation to big game in an effort to keep track of animal population.

A resolution to have U.S. hunters barred from hunting in Alberta for the first two weeks of the season was defeated by the general meeting.

Peard opened the meeting with the League Prayer and was assisted with the business routine by Mrs. B. Caswell. The roll call was answered with a donation to the Providence Creche.

Mrs. Louis Shaw in her spiritual lesson encouraged the members to be more faithful in attending the CWL masses. The next one is to be at 4 o'clock, the first Friday in March.

Mrs. Leslie Shaw, the educational convener, encouraged the reading of good literature in the home and stressed the point that everyone has time to read. Mrs. J. Douville, Mrs. G. Wismer and Mrs. V. Earl offered to help with the work of the Brownies on Mondays which is held in the Scout Hall. Mrs. E. Miklos offered to teach catechism to the Grades I and II classes. According to the little tots, Mrs. L. Cossette held a very nice Valentine party for them last Tuesday.

Mrs. F. Lefbrve provided the members with a most interesting contest which was won by Mrs. B.

Annual Luncheon-Meeting

Doug Galbraith Elected President Board of Trade

District farmer Douglas H. Galbraith was elected president of the Vulcan District Board of Trade at the annual luncheon meeting Monday of this week. He succeeds Donald Larkins.

The slate of officers proposed by the nominating committee was accepted in its entirety, with other officers elected being R. J. Willard as first vice-president, John Wolfe as second vice-president and Sandy McLeod as secretary-treasurer.

Named as directors of the trade board were O. M. Roe, Carson McKay, Dr. F. R. Schneider, Norman Soder, Donald Mitchell, W. N. Frickelton and Boyd McKay.

Committee chairmen are: Finance, Wesley Fulton; Business and Retail, David Mitchell; Agriculture, Evan Williams; Highways, William Munro; Publicity, Dr. B. W. Tonken; Membership, Earl Erickson.

Reviewing the past year's activities, Donald Larkins mentioned Santa Claus day for the children and efforts to brighten up the business section of town at the holiday season. Some action is expected this year on the matter of installing warning lights at the railway crossing near town.

The financial statement showed that the organization had a comfortable bank balance.

Mayor Lundy Findlay of Vulcan extended the town's welcome to the over 160 persons present at the luncheon and urged their support of the Board of Trade, with the thought that additional projects may be undertaken this year by the Trade Board.

Following the luncheon-meeting, the annual two-day agricultural short course sponsored by the Board of Trade got under way and attendance at all sessions was excellent.

Water by-law—55 for, 7 against, one spoiled ballot.

eligible voters of the village cast ballots.

Don Mackay Advises:

"Do a Good Job and Let the Public Know"

Former mayor of Calgary and now head of his own public relations firm in that city, Don Mackay was guest speaker at the annual Board of Trade luncheon and meeting in the Vulcan Lodge Hall Monday noon, Feb. 15.

The essence of public relations, he said, could be summed up in the phrase: "Do a good performance and get public appreciation for it."

In the field of public relations today there are four major points that bear great influence, Mr. Mackay said. They are: (1) The power of public opinion. (2) The growth of labor unions. (3) The power of advertising. (4) The change from rural to urban living.

Elaborating on these four points, the speaker said that public opinion cannot be ignored as it once was and that the main effort in public relations now is the creating of good public opinion or public acceptance. The ever-growing battle between labor and management demands public relations work by both sides and public opinion will likely decide the eventual victor.

The psychology of thinking as applied to advertising was discussed briefly. What do people want or what do they think they want? The power of advertising brings

about acceptance of an idea or a product. A product or a service may be excellent but it must be made known through some form of advertising to be demanded or even accepted.

The change from rural to urban living has affected the modern-day farmer. A farmer is now, of necessity, a businessman, a mechanical engineer and a soil scientist, Mr. Mackay said. The great co-operative wheat-buying associations, now big business, were organized by farmers and are owned by farmers. Farmers are finding that "there is strength in union," he said.

Speaking of Boards of Trades, which in the smaller towns are usually comprised of both merchants and farmers, Mr. Mackay said they should disregard any political implications of any action they might take and should stand up for what they think is right. They will gain most thorough cooperation, he said. Their projects should have enthusiastic support—if there is no enthusiasm the project should be dropped. They should be public relations-minded. "Let the public know what you are doing, if you want their interest and support," the speaker concluded.

Red Cross 'Blitz' Campaign on March 2

The annual campaign for funds for the Canadian Red Cross Society will again take the form in Vulcan of a "blitz" or one-day campaign instead of the usual month-long canvass.

The town will be divided into zones and the services of sufficient canvassers enlisted to cover the entire town in one evening. The date of the "blitz campaign" will be Wednesday, March 2 and residents are asked to leave their outside lights on at night on this date.

Any who are missed or who are going to be away from home on this date are urged to leave their donations to the Red Cross at the Canadian Bank of Commerce. Receipts will be issued and residents are asked to be generous in their giving. Campaign manager is Doug Paris.

Many local swimmers and instructors have been trained through the Red Cross Water Safety Service and others have learned from the water safety demonstrations conducted here. It is

a service such as this and the invaluable blood transfusion service that bring the Red Cross Society close to the public, but equally valuable and worthy of support are other Red Cross activities such as disaster services, international relief, sick room loan service, inquiry bureau, veterans' services, women's work and the Junior Red Cross.

You are asked to help support the Red Cross in its wide field of activities by giving generously when the canvasser calls.

Two Lomond rinks attended the Farmers' Union Bonspiel at Vauxhall last week. One rink coming home with a trophy, winning 2nd prize in the Fourth Event. Players were Len Huff (skip), Tim Ost, Harris Caulfield and Marvin Huff.

The Lomond Ladies' First Open Bonspiel got underway on Thursday, Feb. 11 and had to be cancelled on Friday, Feb. 12, due to warm weather. Two rinks from Milo and one from Vauxhall were attending. The bonspiel will be continued at the earliest opportunity. Seems as though artificial ice will be the only solution to the problem here in Lomond. The ladies have had an open bonspiel planned every year and each year it had to be called off. At this time they finally got a start on it.

Lions Ralph Chapman and Sid Carrington were the two new members elected to serve on the Lomond Community Hall Board.

Martin Edenlof is the proud owner of a new Volkswagen.

Mr. and Mrs. Ted Walker re-

turned home last week after a lengthy holiday spent in the States and at the West Coast.

Due to an error on the part of your reporter, the notice of the next meeting of the St. John's Anglican Guild was wrong in last week's paper. It will be held on Wednesday evening, Feb. 24, instead of the 17th as was stated previously.

Open House will be held at the home of Mr. and Mrs. Mack McKay on Sunday, Feb. 21, in honor of Miss Elizabeth Bell. The occasion being 36 years of operating the local switchboard here in Lomond. Everyone is welcome from 2:00 p.m. to 4:00 p.m., in the afternoon and 7:00 p.m. to 8:30 p.m., in the evening.

Mr. and Mrs. Brown and family of Vulcan were Sunday visitors at the home of Mr. and Mrs. Frank Chow.

Among Lomond visitors in Vulcan on Saturday of last week, were Mr. and Mrs. Al Clifford and family, Mr. and Mrs. Bud Tyler, Mr. and Mrs. Jack Sukeroff, Mr. and Mrs. John Gray and son Gordon, Mr. and Mrs. L. Chase and son Terry.

A ladies' rink from Lomond curled in the Milo Ladies' Bonspiel recently winning 1st prize in the Third Event. Those attending were Hilda Teasdale (skip), Peggy Benson, Ann Stannard and Mary Lindsay.

Best wishes for a speedy recovery are extended to Walter Hart who is a patient in the Lethbridge Municipal Hospital.

Miss Loretta Teasdale left for Calgary last week to start work as a secretary.

Friends are very pleased to see Mrs. Marie Zambaldi at home again after being a patient in the Lethbridge Municipal Hospital for several weeks; also to hear that Guido Zambaldi is recuperating nicely in the Calgary General Hospital after undergoing surgery.

Mrs. Florabelle Soper of Lethbridge spent several days in Lomond visiting friends and renewing acquaintances.

Mr. and Mrs. Len Tolley of Jefferson were recent weekend visitors in Lomond as guests at the home of their son and daughter-in-law, Mr. and Mrs. Bill Tolley and little daughters.

Deepest sympathy of friends in Lomond and district are extended to Mrs. Roy Witting and family at the news of the death of Roy Witting on Wednesday, Feb. 10. Roy was an old-time resident of the Lomond district until the past few years when he retired to Brooks. Mr. Witting had been in failing health for quite a few years. Funeral services were conducted in Brooks on Saturday of last week.

Saturday of last week to visit the former's parents, Mr. and Mrs. John Pytlarz.

Mr. and Mrs. Floyd Huston of Delburne were overnight guests Wednesday of last week at the home of Mr. and Mrs. Cliff Booth. Mr. and Mrs. Huston are en route to Phoenix, Arizona, where they will spend a holiday.

The many friends of Jackie Stewart, an old-timer in Lomond, will be deeply shocked and grieved to learn of his death. Mr. Stewart passed away Friday, Feb. 12, in the hospital at Carmangay, following a short illness at the age of 82 years. Funeral services will be held in the Vulcan United Church on Wednesday, Feb. 17.

JOSEPH PATRICK DURAND

Joseph Patrick Durand, an old-timer of the Lomond district, passed away on Wednesday, Feb. 3.

In 1913 he came from Fairbault, Minn., to make his home with his brother, Albert Durand. In 1915 he took up a homestead across the Red Deer River, where he resided for a few years. In 1925 he went to the La Combe home in Midnapore and had lived there until his death. Mr. Durand would have reached the age of 89 years on March 17.

Arnold of Hanna, Mrs. Alma Dalton of Keephills, Mrs. Cora Dalton of Vauxhall, Mrs. Esther Koch and Mrs. Florence Hart of Lomond. One brother in the States and several nieces and nephews in Minnesota.

Funeral services were held Monday, Feb. 8, in St. Mary's Cathedral, Calgary with interment in the cemetery at Calgary.

Goodwill Service Club

Mrs. Stella Henrickson was hostess to the Goodwill Service Club for the January meeting. A small attendance was present owing to stormy weather. Mrs. Alice Gerhan conducted the meeting and Mrs. Laverne Schlaht was acting secretary.

The main part of the meeting was spent in planning the club program for the year. The nickel draw was won by Mrs. Alice Gerhan.

After the meeting a social time was enjoyed by those present, and a lovely lunch was served by the hostess and her committee.

The next meeting is to be held on Thursday, Feb. 25, at the home of Mrs. Ethel Root. Roll call—a home-made Valentine for your Sunshine Friend.

Home and School Association

On Wednesday evening, Feb. 10, the Lomond Home and School meeting was held in the school with a good attendance. During the business session two more sets of reference books were purchased for Division one.

After the business meeting a summary of the history of the club was read by the convener of the program committee, Mrs. Leonard Huff, and past president pins were presented to Mrs. Velma Booth, Mrs. Florabelle Soper and Mrs. Maude Chambers; with pins also for Mrs. Bob Skeith and Mrs. Addie Craig who were unable to be present. Mrs. M. Gallagher of Brant, vice-regional director, then gave a very interesting address.

The meeting was brought to a close with lunch being served by the head of the social committee, Mrs. Marion Howell and her assistants. This social period is always enjoyed by those present.

Rural Fire Protection

One of the great needs for rural areas, efficient protection from fire losses, appears to be a strong possibility in the Wetaskiwin district before too long.

The Leduc patterns of operation used for the past year by one of the first rural fire protection organizations in the province, seems to be a sound one. The local fire department mans the truck and trained farmer-firemen meet it at the scene of a fire. Members of the association receive the service free and non-members are served for a fee but the range of the truck is, of necessity, limited since it must not stray too far from the territory which supports it.

Fortunately farm fires are infrequent and it may appear to be unnecessary to spend a lot of money on a fire-fighting unit. What appeals most to practical-minded farmers is the preventive work that goes hand-in-glove with the equipment. Knowing that it is available to serve them, farmers are encouraged to provide on their property, fire stations that can save them thousands of dollars loss in case of fire. A sufficient water supply easily accessible, cable, axes and other inexpensive equipment in a marked place where they can be found quickly, even if the owner is absent, are required for these fire stations.

Regular visits to the farm homes of members by volunteer farmer-firemen with a view to checking and improving fire prevention and fire stations, as well as the quickest and best route between city and farm, are part and parcel of the service.

The original membership fees, which must cover the cost of the equipment, are fairly heavy but subsequent annual fees are inconsequential.

From the long-range view the cost is very low and we believe that local farmers will support the plan when it is presented later this year by the organizing committee.

Carnegie-Davison Rites At Edmonton

A pretty evening wedding was solemnized on Jan. 29, in the St. James United Church, 14221-107 Avenue, Edmonton, when Donna Mae, eldest daughter of Mr. and Mrs. R. G. Davidson of Edmonton, became the bride of Roger Carnegie, eldest son of Mr. and Mrs. Maxton Carnegie, also of Edmonton. The Rev. A. J. Norquay officiated at the ceremony.

The bride, given in marriage by her father, wore a floor-length, brocaded satin and not en crinoline gown. The bodice of tiny puff, imitation sleeves were held in place with strands of seed pearls. A seed pearl and sequine embroidered headpiece held her floor-length veil of illusion net and she carried a cornucopia of white baby mums.

Miss Sally Carnegie, sister of the groom, acted as bridesmaid and was attired in a floor-length, strapless turquoise net en crinoline gown accented by a tiny satin bolero. The billowing skirt was shirred and caught with small nosegays. A sequine-studded headpiece with matching mittens complemented her ensemble. Her bouquet was a cornucopia of bronze baby mums.

Ronald Davidson, brother of the bride, attended the groom.

Mrs. W. R. Sword, organist, played the wedding music.

Following the wedding a lovely reception was held at the home of the bride's parents, 14524-104 Ave. Prior to their marriage Donna and Roger were widely entertained when a number of showers were held in their honor. They were the recipients of many lovely and useful gifts from their many friends.

Mr. and Mrs. Carnegie will make their home in Edmonton.

Precious holy Bible,
Treasure rich and rare,
Word of God eternal,
Balm for every care;
God's full revelation,
Of the sin of man,
And of Christ's redemption,
And salvation's plan.

Word that life bestoweth,
Food the soul to stay,
Armor that protecteth,
Counsel for each day;
Promise abundant,
Lamp of truth to lead,
Always all sufficient
For each time of need!

May we read these Scriptures,
And their truth believe,
Own our need as sinners,
And God's Son receive;
In assurance resting,
His commands obey,
And in His grace growing,
Live for Him each day!

Vitamins

ARE ALL VITAMINS THE SAME?

The food and drug laws require each manufacturer to state the ingredients and potency on the label. This does not guarantee the contents are correctly stated.

WE DO NOT HAVE ENOUGH GOVERNMENT INSPECTORS.

Many inferior vitamins are sold for years before they are detected. More than one-third of all condemned health remedies, seized by the government were defective vitamins and food supplements.

THE VITAMINS WE SUPPLY MUST —

1. Be made by reliable pharmaceutical firms whose integrity is unquestioned.
2. They are standardized and assayed for purity and accuracy. Each bottle is code-dated. Then, after packing, they can be re-tested and recalled if potency lessens.

HOW ARE CHEAP VITAMINS MADE?

When low price is the chief objective, many important tests are eliminated. Expensive controls during manufacture cannot be used. The amount of vitamins finally absorbed is questionable.

YOU CAN DEPEND ON VITAMINS WE SUPPLY.

They are fairly priced and absolutely dependable. Do not gamble with your health. Let our knowledge and reputation protect you.

BASSETT'S JEWELRY

HIGH QUALITY FARM MACHINERY

Two years ago I went into the farm machinery business in connection with the Armada Store which I ran at that time. I took a J.I. Case franchise because they appeared to have a longstanding reputation for building high quality farm machinery.

The first machine I got in was an 800 Case-o-matic Diesel tractor which I decided to use for demonstrating and for doing my own farming. I was so impressed by the versatility, power and economy of this tractor, I decided with the Case Company's backing to challenge other dealers to compete in the field or any way they wanted against my Case 800. The 800 was never beaten in any sort of a test, by any tractor selling for less than \$6000 and on one occasion we out-pulled a tractor selling for \$6,600. Every other tractor has certain good points such as good economy, good power at certain speeds or easy handling, but I still challenge any dealer to try any diesel tractor selling for less than \$6000 in any sort of a test he chooses against my 1958 model 800. (The 800 tractor sold for considerably less than \$6000).

Soon the machinery business was such a success that I decided to leave the General Store and Post Office at Armada. Other Case dealers who had been inactive for years decided to get into business too, after seeing the success of the new Case Tractor. This hastened the change to Case machinery.

When the 1960 line of tractors was introduced, including a 5-6 plow Case-o-matic tractor, 12 horsepower bigger than the 800 and still selling for less than \$6000, I decided I could no longer handle the business from the farm. With this in mind I purchased an interest in the Lethbridge Farm Equipment Co. Ltd., a firm which has been handling Case machinery for years. We will now be able to give the best repair and parts service and without a doubt the best new machinery deals in Southern Alberta.

While we expect to move to Lethbridge April 1, I will still spend much of my time in this area to try to give my customers the best service possible. We will arrange to leave a small stock of repairs with someone in Lomond for our customers' convenience and I will still be selling high quality farm machinery, an occupation I have found most satisfying.
